Dan and Jo Qualls

There has been much controversy and misunderstanding over what the New Testament calls "speaking in tongues." We all are going to benefit from the Scriptural teaching on this subject by Pastor Robert Morris. I want all that God has for me, and I want the same for you! What if your prayer life could go to a whole new level? What if you could know the Lord in a new depth of intimacy? Today's teaching, I believe, is going to help all of us. **BE ENCOURAGED!**

NEXT SUNDAY: TOM RICHARDSON

Warm, humorous, practical. Just some of the words that describe Tom's preaching style. He's an equipper, his calling is to help

Christ followers live the Christian life with boldness and purpose. Tom leads the ministry he founded, People Reaching People. He has traveled over a million miles and spoken over 5,000 times in the United States and other countries teaching Christians how to more effectively share their faith.
